Demographic Profile and Health Insurance Coverage

Total Child Population, Children Living in Poverty, Children by Race/Ethnicity, Children by Citizenship, Children with Medicaid, Uninsured Children, Children with Employer-Sponsored

Source: KCMU and Urban Institute analysis of the Current Population Surveys (CPS), March 2008 and 2009. Notes: These demographic data may differ from Census Bureau figures due to grouping by health insurance unit (HIU) rather than household. State figures are based on pooled 2007 and 2008 data; U.S. figures are based on 2008 data.
